Background/Supporting Information

The Central Corridor Light Rail Transit (LRT) Project will construct an 11-mile LRT line between Minneapolis and St Paul. The Project is scheduled to be complete in 2014.

Master Funding Agreement

Construction of the Central Corridor LRT including Civil West requires coordination of certain activities and materials between the Metropolitan Council and the City of Minneapolis in order to preserve and protect public infrastructure. The Master Funding Agreement between the Metropolitan Council and the City (MFA) outlines a process to enter into subordinate funding agreements to account for costs associated with these activities and materials.

Subordinate Funding Agreement 16

SFA 16 provides for the Metropolitan Council to reimburse the City a not to exceed amount of \$217,592.48 for water gate valve installation work related to Civil West construction, performed on behalf of the CCLRT Project in 2012.

Subordinate Funding Agreement 17

SFA 17 provides for the City to reimburse the Metropolitan Council a not to exceed amount of \$25,000 for the traffic and pedestrian signal located at 29th Avenue and University Avenue related to Civil West construction.
